Classes are held in the same building there is none existing - to duplicate the staff nor can the University Commission insist on such duplication unless they can positively prove that the College suffers thereby I believe temporary premises one clerk temporarily was allowed and now it is sought to keep a permanent staff of one clerk & 2 peons for the Dyfr School dept There seems little necessity for this & the duties necessary to relieve teachers in the clerk might be kept on temporarily for one year but no additional peons are necessary

26 As regards the clerk the reason given is the introduction of the school leaving certificate - If the administrative Branch (member of Subn charge) considers that the entertainment of an additional full time man throughout the year is necessary for this there seems would be no financial objection -

27 As regards the peons no reason for the increase suggested is given & as a proper case has not been made out the proposal cannot be agreed to

Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

I have the honour to inform you that the Principal of the Maharaja's College Mysore has applied for the employment of the marginally noted additional staff for the High School Department of the College He states that the High School Section has greatly increased in numbers and the clerical work connected with it is already heavy and will be considerably heavier as the Secondary School Leaving Certificate Scheme fully establishes itself The clerical work of the High School Section cannot be managed by the present clerical staff of the College as there is considerable work for them in the College Department itself and the Principal reports that a minimum of two clerks for the College is absolutely necessary Under these circumstances I recommend that Government may be pleased to sanction for the present a clerk on Rs 20 and two peons on Rs 8/- each for the High School Department of the College and on receipt of sanction a reappropriation statement for the additional expenditure will be submitted through the Comptroller

1 clerk on Rs 20
1 Librarian on Rs 20
1 Head Master's peon on Rs 8
1 Laboratory peon on Rs 8

No Librarian need be appointed for the present
